

AARON ARYANPUR

STAND UP COMEDIAN • VOICE OVER ACTOR • CARTOONIST

Aaron Aryanpur has appeared in clubs, theaters and colleges nationwide and his voice can be heard in games like *Smite* and *Paladins*. Aaron was a semifinalist in both Comedy Central's *Up Next Search* and NBC's *Stand Up for Diversity*, and his debut album *In Spite Of* reached number one on the iTunes Comedy charts, appearing on the Billboard Top Ten Comedy Chart.

While Aaron's act covers a variety of topics, it's his experiences as a husband and an exhausted father that landed him on the *Minivan Men* podcast with Maz Jobrani (*Superior Donuts*) and Al Madrigal (*The Daily Show*). Aaron delivers laughs with his unique perspective and expressive, likable delivery. He's been called "engaging, open; he's relatable and very funny."

"He's able to find terrific, singular comedy in deeply personal matters. That willingness to be honest and vulnerable with crowds is what makes him an irreplaceable performer."
